Teradek Opens East Coast US Office

Irvine, CA -- Nov 2, 2009 -- Teradek has expanded their US operations by opening an East Coast regional office. The Andover MA based office is headed by industry veteran Ron Berti. "Our goal is to provide regional support for those seeking sales and servicing of Teradek's products." says Berti.

"We're excited about Ron joining our team as East Coast Sales Manager." says Marius van der Watt. "He brings a wealth of technological and industry knowledge to the company, and will be pivotal in providing pre- and post-sales support for our customers and integrators on the East Coast."

Located in Andover MA, the East Coast office is centrally located in New England. To enquire about Teradek products contact:
